

On Saturday, February 17, 2018 we will bring some of the world's greatest pipers to the metro area for the annual Metro Cup Highland Bagpipe Competition.

The Metro Cup is a rare opportunity to hear some of the finest players from around the world right here, as well as a great event to socialize and see piping and drumming friends from throughout the area. We need financial support to keep this great event alive. While most of us would love to fly to Scotland to see top level competitors perform many of us can't, so by bringing them here once a year for The Metro Cup we get an up close and personal glimpse of some the greatest musicians of our time.

How can you make sure this special event continues? We need ticket sales, prize and cash donations. The costs of running this event are huge; the venue, transporting our competitors here, and the prize monies are significant. Please consider supporting this event whether by attending and bringing along band mates and friends, making a financial contribution, donating a raffle prize, or placing a program ad.

Bands: as a Sponsor you will receive 8 tickets plus an ad in the program. In the past bands have been important benefactors, we are hoping to continue to encourage their support and attendance.

Another way to show your support is by placing an advertisement in the program. Ads cost \$250 for a half page, \$400 for a full page. You can contact Keith Wood at keith_wood_pm@yahoo.com for details.

Thanks for supporting the music. Please fill out and return the slip below, or feel free to contact me at Treasurer@euspba.org
